**DD 324:
Data Visualisation**

Grading and Goodbye

22 April 2025 · Gyan Lakhwani · gyanlakhwani@gmail.com · Department of Design, DTU

4. Final Project (20%)

The midterm project is a group project (groups up to 3) due end of April. See [Project - Endsem Project](#).

Criteria	Marks	Description
Timeliness	1	Proposal and final project submitted on time.
Idea & Insights	3	Originality of concept and depth of thinking or hypothesis.
Data & Research	4	Quality of data collection, sources, and how well it's handled.
Visualisation	4	Clear and effective use of charts, graphs, or visuals to show the data.
Design & Execution	4	Aesthetic quality, clarity, and technical accuracy of the final outcome.
Presentation	4	Communication during presentation and quality of documentation.
Total	20
